THOMAS JEFFERSON HIGH SCHOOL

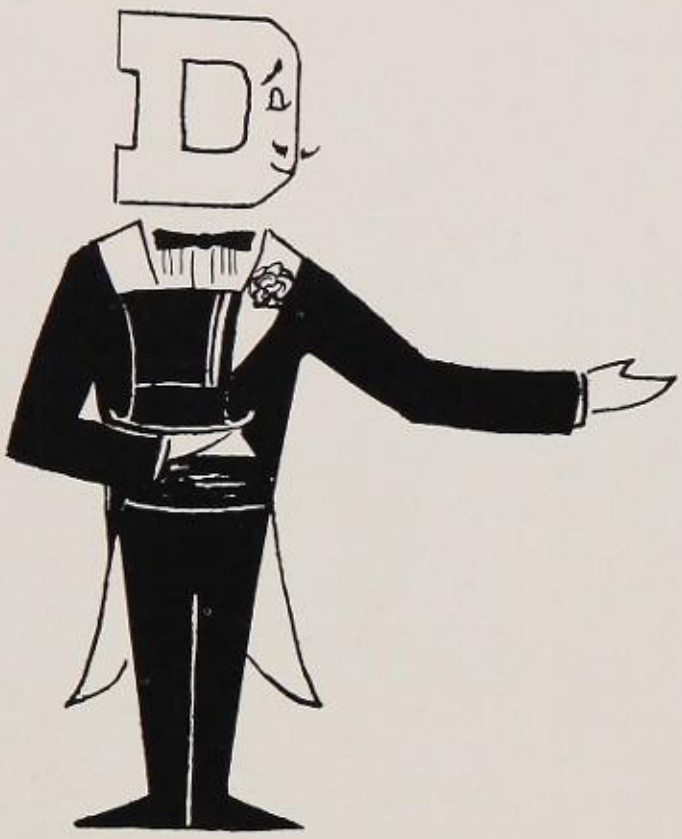
Volume III

The document



One of the factors which contributes to the greatness of a school is its location, and the opportunities which may be afforded by that location. Thomas Jefferson is becoming a leader among the nation's high schools . . . and surely one reason for this coming prominence is the fact that Thomas Jefferson is . . .

in Dallas

. . . and, in Dallas, there are indeed many wonderful opportunities. The DOCUMENT this year attempts to picture for you Jefferson's place in the growing metropolis which is a center of culture, of commerce, of education . . . for it is here that Jefferson is earning for itself a noteworthy place in a great city.

Jefferson's academic prowess is indicated by the winning of WFAA-TV's "Quiz 'Em." The team: Steve Schlossstein, Bob Hayes, Bill Dennis, Pete Jessup, Burr Angle, and sponsor, Mr. Richardson.

Jefferson's productions have attracted the praise of Dallas audiences.

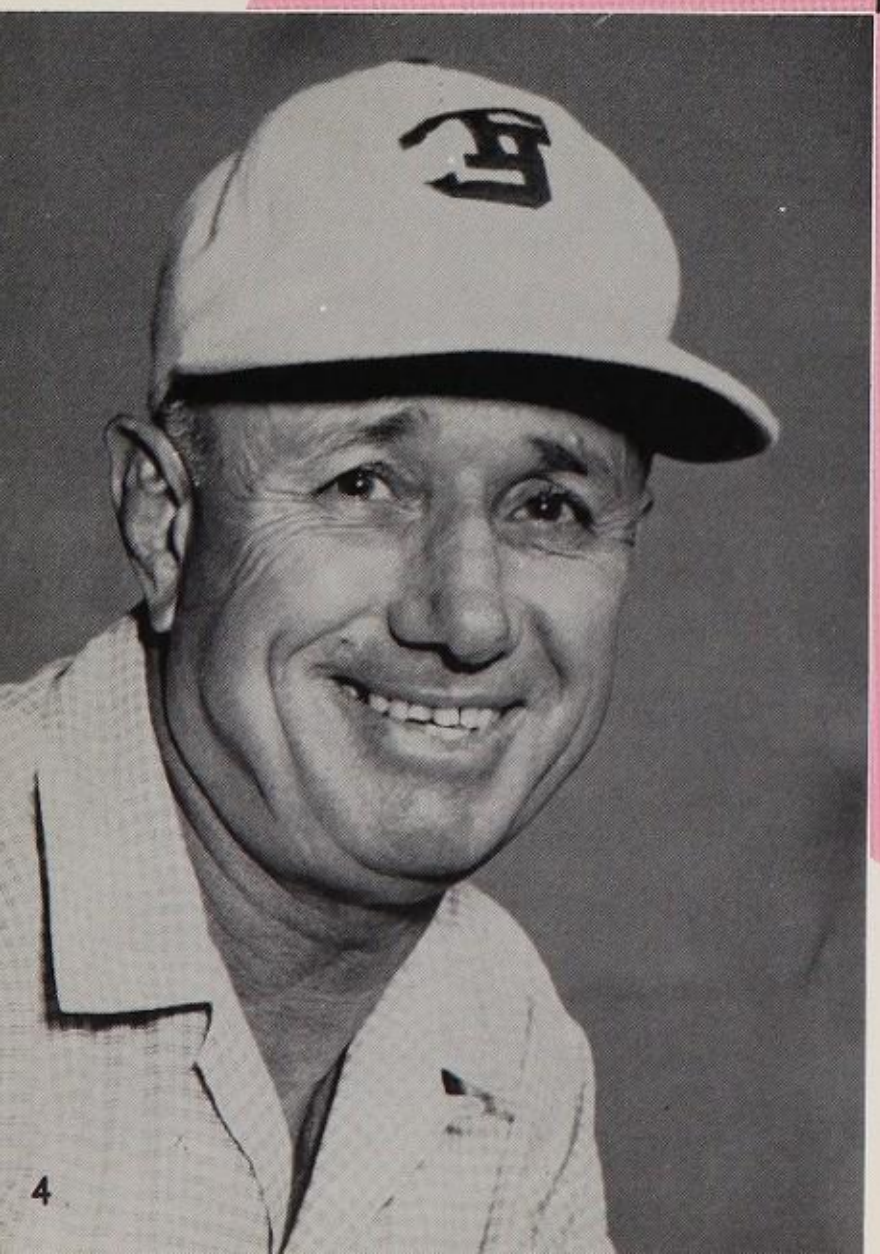
"The Coach" is an inspirational speaker . . .



Herman Cowley has been an inspiration to all who have come in contact with him throughout his long and fruitful career. As a coach, he has fielded many outstanding teams; yet this is not the strongest feature of his success. For he has been to his teams, to his students, and to all who have known him a shining example of all that a man should be — in character, in modesty, and in sincerity. For these qualities we dedicate the 1959 DOCUMENT to . .

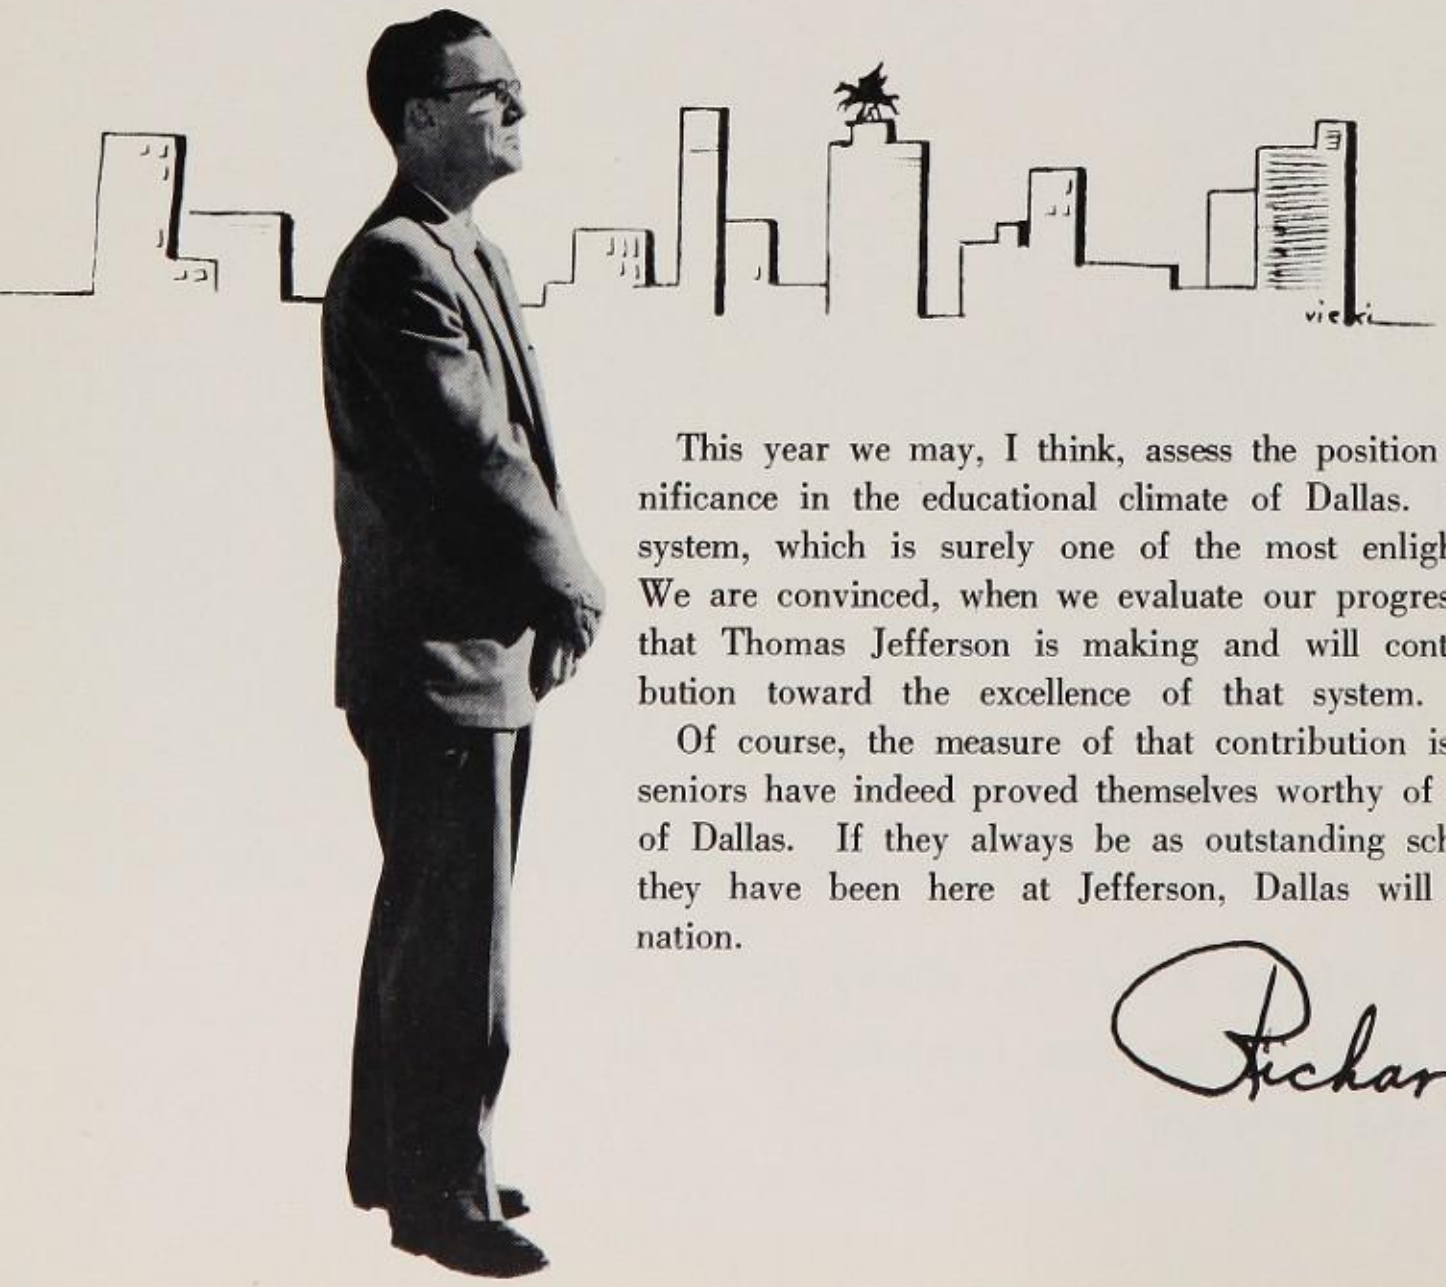
One of the outstanding men of the "new era" in Dallas education is Richard E. Stroud, young, able principal of Thomas Jefferson. Educated at Oklahoma University, Northwestern, Colorado University, and North Texas State College, he holds the Bachelor of Science degree in Chemistry and the Master of Science degree in Education Administration from Southern Methodist University. Having come from the principalship of Rusk Junior High to open Thomas Jefferson, Mr. Stroud has also been active in administration capacities such as the Community Guidance Service, and has been Acting Chairman of the Youth Adjustment and Guidance Commission.

THE PRINCIPAL

Richard E. Stroud



This year we may, I think, assess the position of Thomas Jefferson as one of significance in the educational climate of Dallas. We are proud of our city's school system, which is surely one of the most enlightened in our part of the country. We are convinced, when we evaluate our progress in these three and one-half years, that Thomas Jefferson is making and will continue to make a worthwhile contribution toward the excellence of that system.

Of course, the measure of that contribution is our graduating class. This year's seniors have indeed proved themselves worthy of our pride, and, further, of the pride of Dallas. If they always be as outstanding scholastically, socially, and civically as they have been here at Jefferson, Dallas will deserve the congratulations of the nation.

Richard E. Stroud

TORBETT W. CROFT

ASSISTANT PRINCIPAL

The quite varied duties of the Assistant Principalship demand patient understanding as well as firm control. Our Assistant Principal, Torbett W. Croft, has fulfilled this demanding position admirably. Educated at Paris Junior College and North Texas State College, Mr. Croft holds the Bachelor of Science degree from New Mexico State University and the Master of Science degree from East Texas State College.

ADMINISTRATION

The administration of a large high school is an arduous task which requires the time, talents, and dedication of very capable personnel. Jefferson has just such administrators, who are able to coordinate the educational and social program into one harmonious, smooth-running operation. Through the offices of the Principal and the Dean, the many and varied functions which are vital factors behind the life of the school are competently carried on.

EDITH COOPER

DEAN

The duties of the Dean range from the supervision of attendance to counseling, from advising upon the social life of the school to the keeping of untold records. Mrs. Edith Cooper, our Dean, manages all these tasks with wonderful calm and skill. Educated at Texas University and SMU, she holds the Bachelor of Science and Master of Science degrees from North Texas State College.

THE COUNSELORS

The duties of the counselors encompass a wide variety of enterprises, from conducting an extensive information service to certifying students for graduation. Mrs. George and Miss White, Jefferson's counselors, conduct their programs with the efficiency and patience that ensures a smooth-running curriculum. It is also a part of their task to announce the various scholastic honors awarded during the year, to coordinate the American Field Service program, to conduct the testing program, to evaluate students' credits, to enroll and to supervise schedules, and to conduct personal counseling.

Helping the seniors to choose a college is one of the many tasks of the busy counselors.

OFFICE STAFF

Behind the scenes — and occasionally in front of them or on top of them — we find at Jefferson a well-organized group known as the Office Staff. These patient ladies hear all the tardy excuses, check illegible attendance slips, hunt down lost students, and carry on other such tasks necessary to the efficient operation of a high school.

MARIE L. BROWN
Secretary

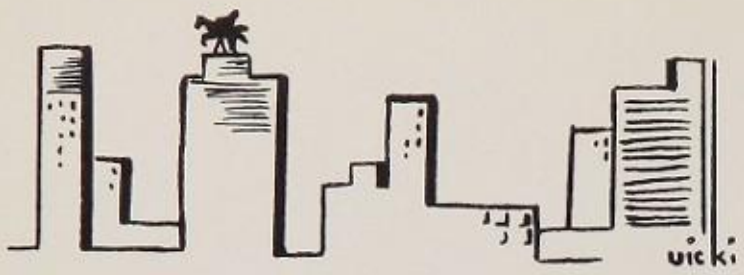
STAFF: Mrs. Ann Morrow, Mrs. Velma Templemeyer, and Mrs. Opal Gibson, left to right, keep the dean's office functioning efficiently; Mrs. Ida Ruth Parker, far right, is invaluable as Assistant Librarian.



Since 1884, the Dallas Independent School District has been under the direction of a Board of Education, composed of civic-minded citizens elected to serve without remuneration to supervise the education of the youth of the community as completely as possible. The School Board controls the budget, contracts for building and expansion of the educational plants, participates in national educational programs, and studies the needs of the child in relation to the community itself. Dallas has been extremely fortunate in having many capable governing bodies, such as the one pictured below, to direct these activities.

THE SCHOOL BOARD

Left to right: R. B. Gilmore, R. L. Dillard, Jr., Van Lamn, Mrs. Tracy H. Rutherford, Vice-president; Dr. Edwin L. Rippy, President; Dr. W. T. White, Superintendent of Schools; Franklin E. Spafford, Mrs. Vernon D. Ingram, Rouse Howell, W. A. Blair.

Left to right: Don E. Matthews, *Assistant Superintendent in Charge of Special Services;* R. H. McKay, *Assistant Superintendent in Charge of Administration;* T. W. Browne, *Assistant Superintendent in Charge of Business;* Dr. W. T. White, *Superintendent of Schools;* Dr. Frank L. Williams, *Assistant Superintendent in Charge of Instruction;* Dr. Ewell D. Walker, *Assistant Superintendent in Charge of Personnel.*

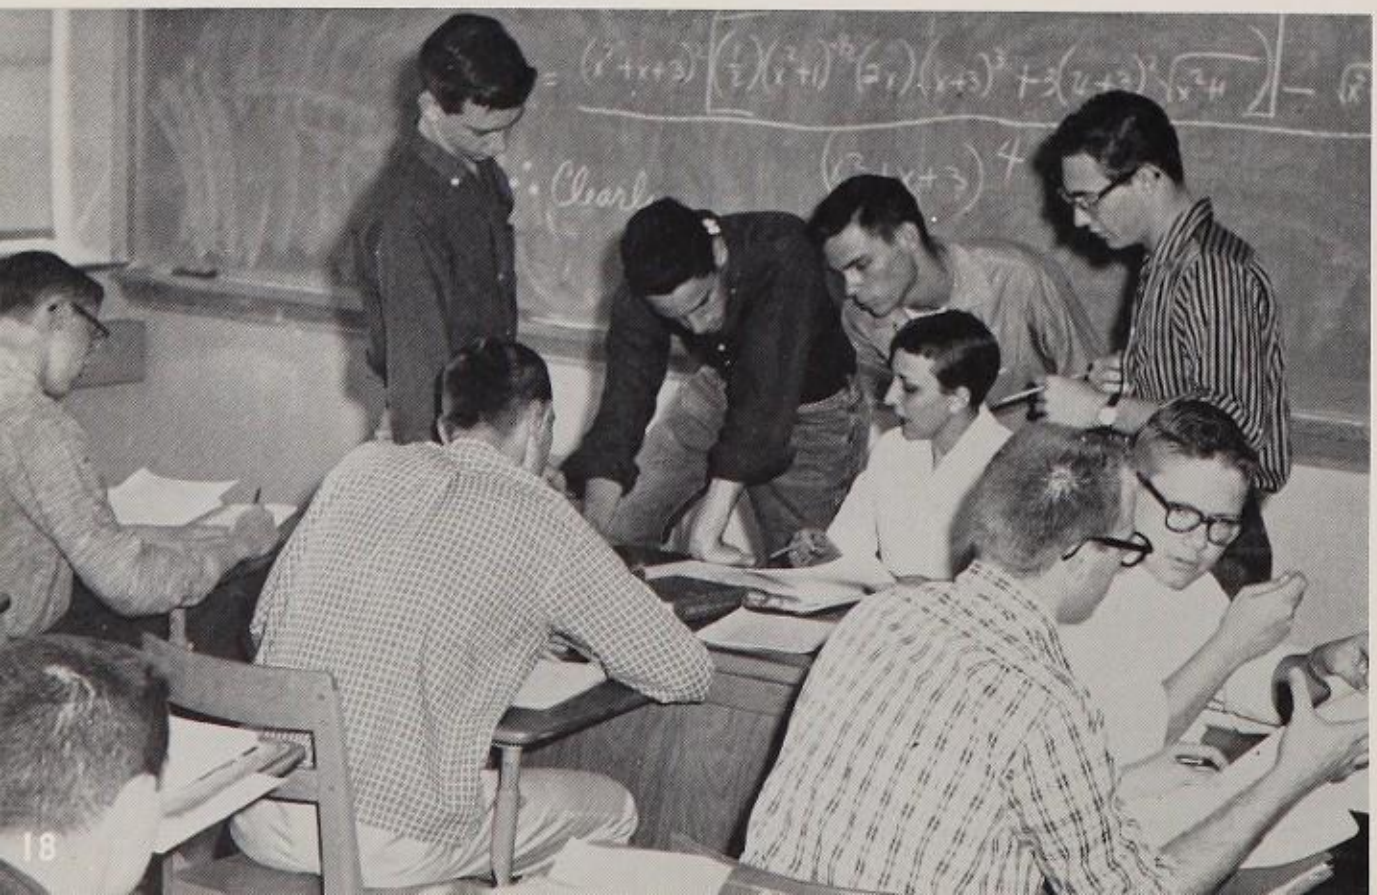
THE BOARD OF ADMINISTRATION

The difficult task of administrating the many and varied activities of the Dallas Independent School District rests upon the capable shoulders of those pictured above. It is due to their foresight in the planning for an expanding community of students, their sensitivity to the needs of the child as an individual, and their sense of obligation to the building of democracy through its future citizens, that the Dallas school system has been adjudged one of the most successful in the country.

THE ACCELERATED

John Mangrum and Bob Hayes learn about light and sound waves in the accelerated physics class.

Jefferson is particularly proud to be one of the first schools to embark upon an accelerated academic program. Special classes for those with high aptitudes in physics, mathematics, and English are offered on the sophomore, junior, and senior level, to give students the broadest education that they are able to encompass in those fields. The English courses stress original thought and speculative investigation in all areas of literature; mathematics programs include combined,



An intricate problem in calculus is discussed by the senior advanced math class.

ACADEMIC PROGRAM

two-period classes in advanced algebra, trigonometry, and calculus. The physics program has proved especially effective, and has attracted city-wide attention. Two sections are offered: an MIT course, with emphasis on mechanics, and an advanced section, which provides theoretical training. It is obvious that, with this fine foundation, Jefferson graduates will be able to contribute greatly to their community.

Loads of luck and best wishes to one of the sweetest girls I know. Its been wonderful being in your Homemaking class. I hope we will be together next year. Stay as sweet as you are and may God bless you. Love, Vera Bucksader

The advanced English sections delve into sources beyond the regular curriculum.

SCIENCE

Thomas Jefferson has a science department which is a credit to the new emphasis in educational programs throughout the nation. The chemistry department has been extremely successful in producing winning entrants in such competitions as the Westinghouse Science Talent Search and the District Science Fair. The physics department now encompasses two accelerated programs, a section of M.I.T. experimental lectures, and a high-aptitude section. Emphasis is placed upon engineering and modern atomic physics, with particular direction toward college programs. The biology department adopts an ecological approach, with attention especially to human inter-relationships; thus is the entire science program rounded to include all areas.

DEPARTMENT

Thomas Jefferson's English Department would develop within the student a desire to express himself well in conversation; to evaluate the written and spoken word of others; to appreciate the works of masters; and to realize the pleasure to be found in the world of reading offered to him. Courses in American and English literature are offered in the junior and senior years, based upon a general foundation of grammar and literature begun early in the student's course of study, with these aims as the ultimate goal.

Thomas Jefferson offers a comprehensive program in social studies, with an ultimate aim of developing in the student an understanding of the world in which he lives; a comprehension of his country — the United States — its history, its government, and its dreams of the future; and the development of a loyal citizenship and desire to participate in the affairs of his country. The course offering includes World History; American, Texas, English, and Latin American History; Advanced Civics; Problems in Democracy; each of these is designed to equip the student to cope with the problems he will face in life.

DEPARTMENT

Thomas Jefferson is fortunate in being able to offer a broad program in the foreign languages. Latin, Spanish, French, and German are included in the course offering, which is designed to make the student proficient in his conversation and appreciative in his reading. The acquisition of fundamental skills and basic vocabulary is stressed in the beginning years, while third and fourth-year courses build toward an appreciation of the literature. Finally, outside activities as well as regular class sessions attempt to create in the student an understanding of the other cultures and peoples which he studies.

FINE ARTS

Many opportunities for creative expression are at Thomas Jefferson. Courses in music, including band and orchestra, as well as choral singing; in applied art, including crafts and art theory, add culture to the Jefferson curriculum. The student is encouraged to develop his own individual creative abilities, and to express his interests functionally.

PHYSICAL EDUCATION DEPARTMENT

Physical education at Thomas Jefferson aims at the training of the sound body for the sound mind; a great variety of sports is offered in the program, including basketball, baseball, and volleyball for both boys and girls; football, track and tennis for boys; and of course, the scooter game for the girls! Health and driver training courses are also offered during the year as a part of the program. A physical fitness program completes a well-rounded curriculum as fine as any in Dallas.

An eagerly-awaited event of the spring semester is the Annual Valentine Ball and Coronation. This year "Valentine in Venice" transformed the auditorium and gym into a Venetian wonderland of white and red. The queen's gondola was attended by hovering doves, and as the Venetian gentleman announced the names of the court, the strains of "Santa Lucia" played softly. Amid much excitement, Elayne Fincher was announced queen by *Document* Editor Steve Schlossstein. Presented with her robe, coronet, and roses, Her Majesty took her place in the gondola and received the homage of the court before proceeding to the grand ball in her honor.

Jefferson's first Homecoming festivities brought our first graduates "home" to witness the defeat of the Woodrow Wildcats and the presentation of the Homecoming nominees, Donna DeVaney, Sue Parker, Jill Maxcy, Janie Austin, and Jenny Cowley, on Friday, November 6. Entering the stadium to begin the presentation was "Colonel Reb," played by Dwight Gleaves, and "Mrs. Reb," portrayed by Carole Fursman, mounted upon spirited chargers and bearing the Rebel flag. Nominees waved to the excited crowd from shiny convertibles, and they were presented with corsages by members of the football team. All anticipated the Homecoming dance, to follow on Saturday night in the Jefferson gym.

. . . AND THEN CAME THE HOMECOMING

Donna DeVaney is lent a helping hand by her escort, Tom Bailey, as she prepares to bow to the audience.

1958-59 proved a year in which Jefferson stars shone especially bright in city, county, and national skies. Already building a reputation for outstanding athletic programs, Jefferson has been brought to the attention of the entire area by the prowess of its stellar performers. Such noteworthy figures as Joe Miller, named to the All-State football team and as "Dallas County AAAA Athlete of the Year," and George Seay, named for the Bell Award, have reflected much credit upon their teams, their coaches, and Jefferson.

FOOTBALL — 1959

The 1958 grid season saw Jefferson winning its first city title. Completing the year with a 9-1 record, the Rebels annexed the championship with a 20-0 shutout over Sunset in the playoff game. Suffering only a loss to Longview, with the rain again dampening Rebel chances, the team had an unblemished record in city play. Four Confederates made the All-city Squads, as many outstanding individual performances during the year attracted favorable comment. Joe Miller, Jefferson's outstanding defenseman, was named to the All-state eleven. The Rebel line was praised again and again as it held firm against all comers; again Rebel field general George Seay directed the troops in an attack which proved deadly to the opposition. The Rebels moved into Bi-district play against Fort Worth's Carter Riverside as they looked toward the state title. It rained.

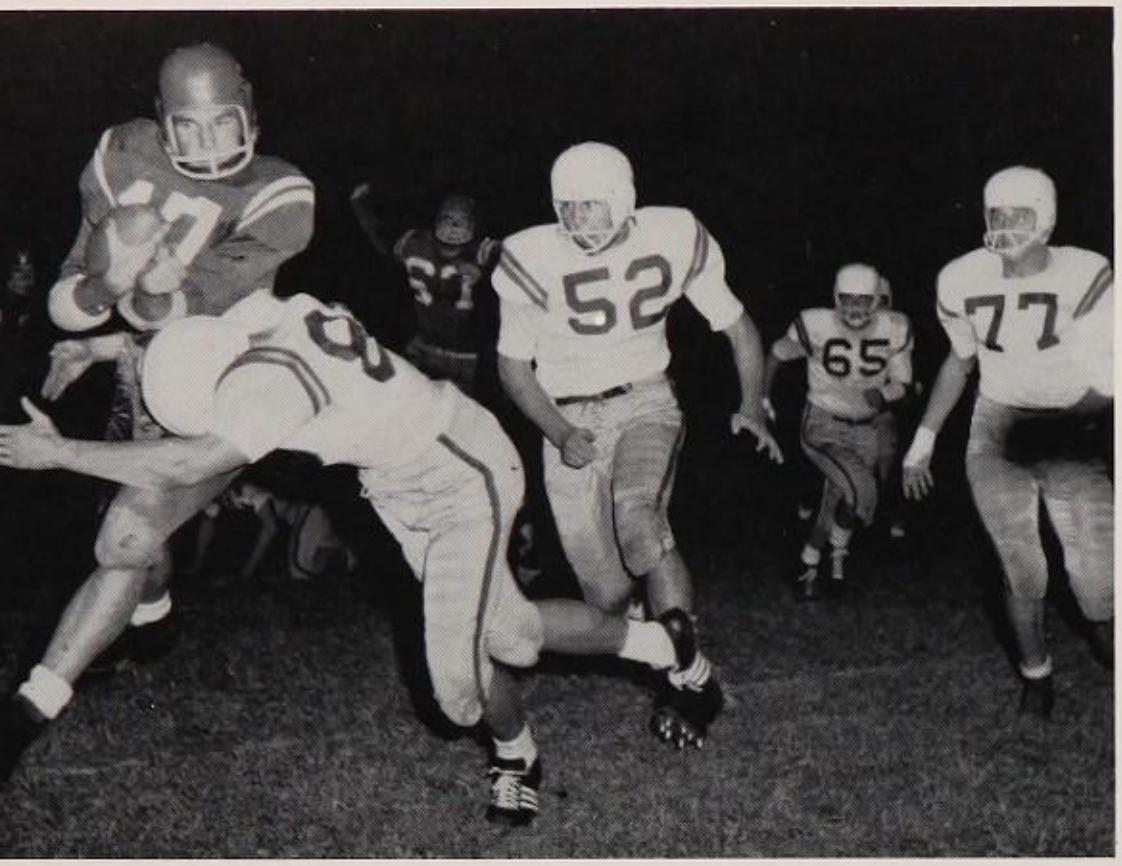
JEFFERSON WINS



Jones fiddles as Rhome burns.

Dallas, Texas, November 21, 1958— Jefferson annexed its first city title with a thumping 20-0 win over Sunset to gain the State playoffs. Quarterback George Seay and halfback Tom Bailey were the hatchet men in the Rebel's well-rounded offense. The first score came as Benson plowed across the line, and the second, some two minutes later, featured a Bailey-grabbed short pass from Seay. On a keeper, Seay climaxed a 62-yard drive to run it over himself. Fine line play by Wayne Williamson actually accounted for the Sunset sinking, with Jessup, Miller, and Willis also performing commendably.

Bailey goes over for the second TD.

Cowley's strategy cows the Bisons.

Rhome didn't ramble too much, thanks to Hudson and company.

REBELS TRIP STATE CHAMPS, 12-6

Dallas, Texas, September 12, 1958— The Rebels opened the season with a satisfying win over state champion Highland Park. Paced by Seay and Miller, Jefferson contained the Gannon-led Scots and held them to a single score in the second period. Seay ran for 77 yards and connected with passes for 53 more, scoring both Rebel touchdowns. Both touchdowns came in the last quarter to erase a Scot lead. Miller was largely responsible for the foiling of the Scot offense which was never able to offer the needed punch at the right time. Victory was sweet to the Rebels, as they eyed their first title.

The reason they didn't go — Miller knocks out two Scotties at a time.

Gannon stayed neatly boxed most of the evening.

RAIN JINX HELPS LOBOS, 8-0

Giddens and Teter try raindrop

Longview, Texas, Friday, September 19, 1958—The rain jinx held again as Jefferson stuck in the mud and lost to the Lobos, 8-0. In threatening position all night, the Rebels failed to find receivers for Seay's passes, and a second-half rally was thwarted deep in Longview territory. The only score of the game came in the second quarter, with the climax of an 85-yard drive coming on an eight-yard jaunt by Lobo halfback Billy Coley. All in all, it was a gloomy evening for Rebel hopefuls.

SEAY ('ZER) CONQUERS RHOME 18-6

"Et, two, George?" Seay converts after the first score.

Dallas, Texas, September 26, 1958— All roads led to Rhome as the Rebels' hard-charging line and the imperial passing of conqueror George Seay conspired to cause the downfall of the Bisons, 18-6. Seay's first six passes connected, including a 20-yard touchdown toss to David Jones in the first four minutes. For variety, he scampered 49 yards for the next score, and Tom Bailey rushed left end for the conversion points, making the score a comfortable 16-0. In the second half, the Rebels added insult to injury as Brown, Jessup, and Willis nailed down a Pierot fumble in the end zone. Rhome master-minded a desperation drive in the last minute to avoid a non-golden goose egg, but the Rebels were in command of the battleground.

BAILEY DARNS SOC'S 14-6

Dallas, Texas, October 2, 1958— After a scoreless first half, the Rebels took the measure of the Golden Bears for the third victory of the season. Rain was no drawback for a change as Tom Bailey broke loose for a 59-yard scamper and the game's first touchdown. The next touchdown drive was ignited by the recovery of a fumble, as Miller scooped up a SOC bobble on the 22. Seay ran and passed for 43 yards as the campaign moved to paydirt and a successful conversion. Good line play and a long kickoff return by Lester Godwin combined to cage the Bears for good.

REBELS CRUSH BULLDOGS, 50-0

Dallas, Texas, October 10, 1958— Though it wasn't a Civil War battle, the Rebels treated the North pretty roughly as they took sweet revenge on the Bulldogs. North Dallas was never in the game as Field Generals George Seay, David Ray, and David Rogers bombed the Bulldogs from the opening kick-off. Seay passed to Jones for the first score in the first period, and in the second the Rebels marched twice with Richard Westbrook and Bobby Glen Wright tallying. Lester Godwin recovered a fumble in the end zone for the only third quarter score, and in the fourth period, Sid McClain, Harold Giddens, and Neal Bright all got in on the act to hand ND a convincing defeat.

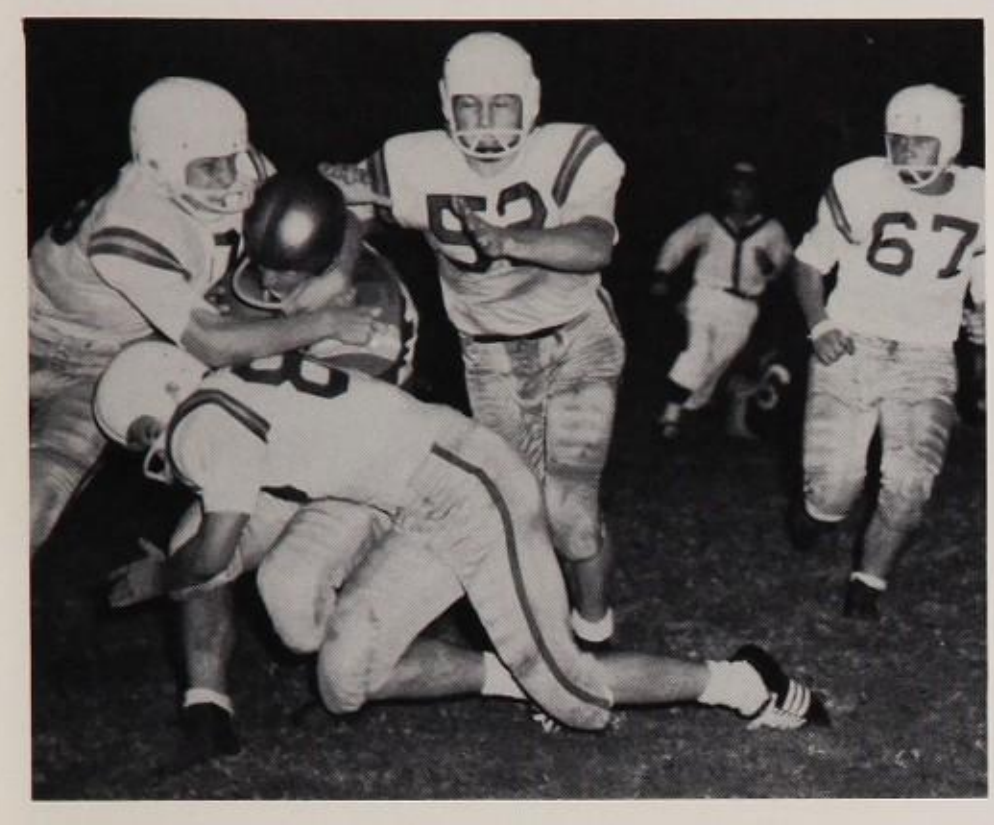
JEFFS STOPS SPARTANS, 20-6



Rebel defense gets stubborn about it.

Dallas, Texas, October 17, 1958— The Spartans fell in large numbers at Franklin Field as Samuell became the Rebels' next victim. It was the opening game of conference play, and Jefferson left little doubt as to their intentions for the season. Rebel quarterback George Seay was on target for pinpoint passing, as he fired two for touchdowns and ran for the third to give Jefferson a 20-6 lead at the half. Neither team was able to muster a score in the second half, and the game ended in a satisfactory manner.

Dallas, Texas, October 23, 1958— Bryan Adams became the sixth conquest as the determined Jeffs marched on toward the city title. David Ray was the sunshine boy of the contest as he threw ten passes and completed six for 106 yards and one touchdown, as well as turning in the longest run of the evening— a 40-yard scamper. Bob Benson counted for the first score, with tosses from Ray to Godwin and then Giddens for the next two. Bailey added the last tally before the half ended. In the second half, Miller intercepted a Cougar pass and Benson punched it over. Wright accounted for the next six, and a Ray pass to Dinkins upped the already loaded board. As the clock ran out, David Rogers flipped to end Bruce Roberts for one final insult to the Cougars' injuries.

Dallas, Texas, October 30, 1958— The Rebels earned a sure share of the North Zone title as they handed Woodrow's Wildcats a thumping 34-0 shutout. Seay rolled out for three convincing periods before retiring from the field, amassing 111 yards on the ground and 54 in the air, nonetheless. Tom Bailey and Bob Benson also accounted for a great part of the Rebels' ball control and their 26 first downs, as both added to their rushing yardage. Bailey accounted for the third touchdown, soon after the opening of the second half. Jones swiped a Wildcat pass for the fourth, and Westbrook accounted for the final tally.

Dallas, Texas, November 6, 1958— Having earned a berth in the city playoffs, the Rebels continued their winning ways with a 26-0 shellacking of Hillcrest. The Rebel defense allowed only 58 yards rushing and a mere three yards in the air. Jeff gained 239 yards rushing and 79 via airmail, meanwhile. Wright drew first blood in the contest, and Benson barrelled over for the second score. In the second period, Bailey swiped a pass and Seay did the rest. RIVERSIDE DROWNS REBELS 6-0

From out of the mudhole reached a Riverside defender.

Dallas, Texas, November 27, 1958— "Well, didn't it rain?" Rebel victory yells were rained out as Fort Worth's Carter Riverside put the damper on the hopes for a state title. The lone score of the game came after a first period pass interception which proved to be the big one of the afternoon. The Rebel passing attack couldn't seem to dodge the raindrops, and the running was considerably bothered by the mud. Although the Rebels threatened several times, score and hopes wound up soggy. It rained, all right.

BASKETBALL — 1959

"I'm proud of all my boys," said Coach Archie Porter at the end of an outstandingly successful season. Returning from Austin with the trophy for second place in the state, the Rebel cagers turned in a sterling performance, with the final record 34 wins and only 4 losses. In pre-season play, Jefferson defeated opponents from the Dallas area; conference play saw the Rebels undefeated in city play; Adamson fell victim in the city playoffs in straight games. In Fort Worth for the Bi-district playoffs, the Rebels defeated Poly in an action-packed contest. Garland met defeat in the SMU coliseum in the Regional contest, after which the Rebels looked toward State. In the climax of the season, the state tournament, Laredo bit the dust in the first round. Pampa measured the hopeful Rebels, however, in the finals; but Jefferson is proud of their second place.

REBELS GAIN

Rebels stormed Austin *en masse* for the first state tournament appearance.

The Rebel yell was heard for the first time in Austin as the tall boys from Dallas carried the Confederate flag all the way to the finals in the state basketball tournament. Jeffersonites followed the team to the capital to see them defeat Laredo 55-39 in the first round, and come home with a commendable second-place trophy after meeting the giants from Pampa in the final game. SAMUELL BOWS, 48-37; 62-54

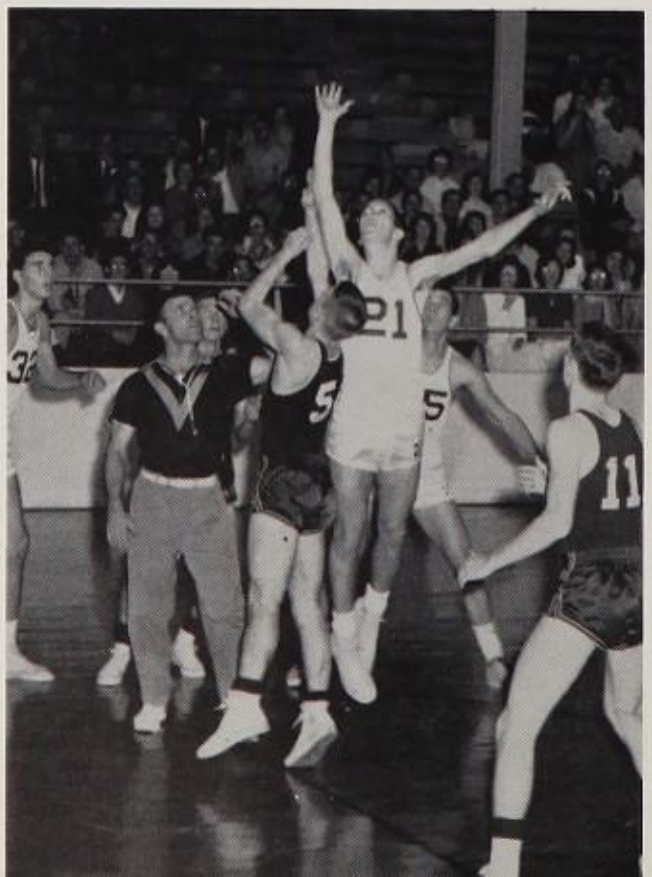
The Samuell Spartans met defeat twice at the hands of the title-happy Rebels, as the five returning regulars began to get warm in their long succession of wins. In the first game at Cobb Field, George Seay pelted through the first five points of the easy victory, while Tommy Lea and Dave Somerville also hit the double figures. In the second game, at Samuell, Dave Somerville sank a spectacular 22 points for top scoring honors, as the Rebels led all the way.

Coach Porter discusses strategy as the Rebels start a winning season.



HILLCREST FALLS, 43-36; 60-42

Cobb Field was the scene of tragedy for Hillcrest twice as the Rebels won handily over the Panthers in as many starts. In the first game the Rebels were never seriously threatened and Dave Somerville pounded the bucket for top scoring honors. Hillcrest became the Rebels' twenty-sixth victim in the second game; although the Panthers tried valiantly to stop the march toward the city title, they were no match for the Jeff sharp-shooters. Dave Somerville and Tommy Lea accounted for a good slice of the scoring, while the Rebel defense was especially effective in foiling Panther drives.

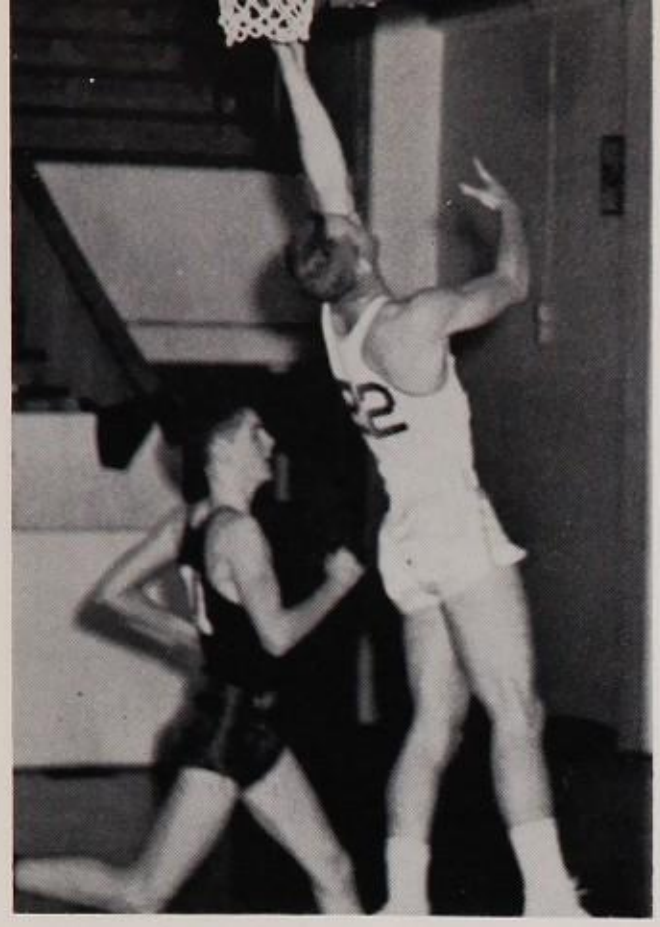
Strong rebounding shone for the Rebels as they defeated the Bryan Adams Cougars in the third victory of conference play. Paul Thompson, George Seay, and Dave Somerville proved especially demanding under the boards as the Rebels held the lead throughout most of the game. The second victory gave the tall boys in blue the North Zone championship — the first of the successful year. Wade, Seay, and Somerville all hit the double figures in the sharp-shooting department, as the score fluctuated but the lead never changed hands.

Pete Houck becomes rather definite about that rebound.



Seay drives in for the lay-up.

WOODROW WILTS, 65-46; 71-42

The Wildcats became Jefferson's fourth victim as they succumbed to the Rebel attack in two games in Cobb field house. In the first game, Paul Thompson took scoring honors with 17 points, after a somewhat cool start in the season. The Rebels easily overcame Woodrow's fast break, and Jefferson led throughout the game. Lea, Houck, Somerville, and Thompson all were double-figure men in the second game and the Wildcats' bid to stop the Jefferson march toward the title was unsuccessful.

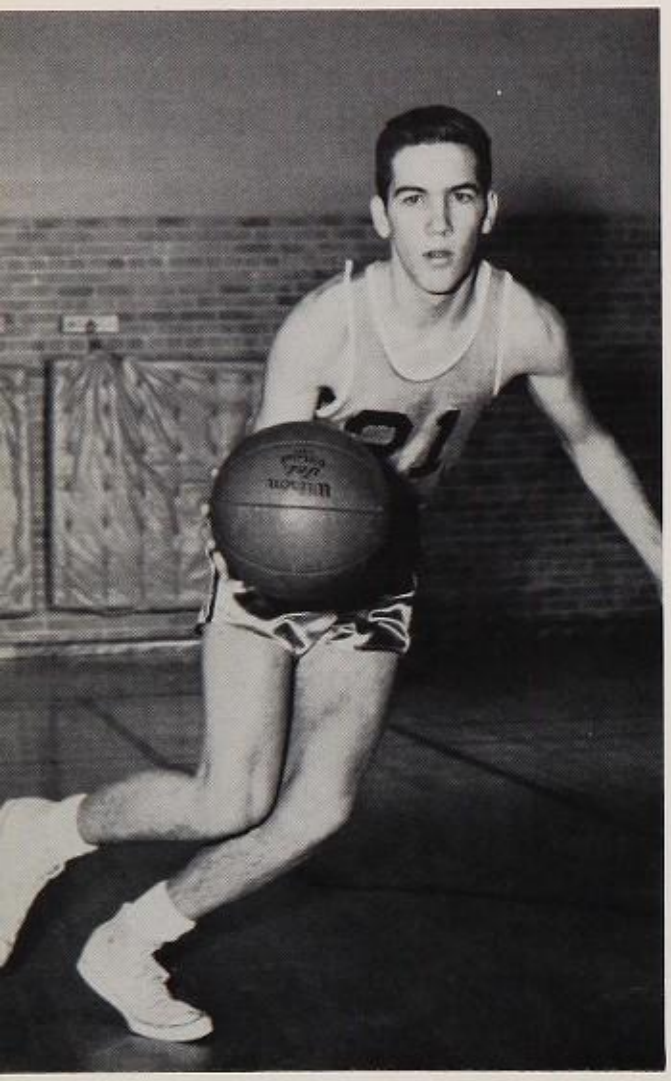
REBELS RUN RIOT IN CITY PLAYOFFS



DICK GOODE

The North Zone conquerors met Adamson in the playoffs for the city championship, and in the best two out of three handily defeated the Leopards in straight victories. In the first contest, Paul Thompson played what was described by Coach Porter as his "best game," dominating the backboards and hitting for 22 points. Crowning blow of the night was the 60-foot set shot by Jerry Wade as the third quarter ended. The 70-51 score indicated the forcefulness of the determined Rebel attack. In the climax of District play, Jefferson handed the Leopards a 47-37 defeat, as Thompson was again high scorer, followed closely by Somerville. With this hurdle out of the way, Rebel eyes were focused on the Bi-district championship.

"Here, Paul, you take it."

POLY TRIMMED IN BI-DISTRICT PLAY

In the sudden-death playoff for the Bi-district championship, the Rebels handed Fort Worth Poly a 37-32 defeat before a screaming crowd of some four thousand fans in the Fort Worth gymnasium. An exciting contest the entire four quarters, the game featured a sterling defensive effort by the Rebels, and a full court press by the Parrots in a desperate attempt to turn the tide. Somerville was leading scorer for the Rebels, but neither team hit for as many points as usual. Jerry Wade summed up the contest, "Defense," Coach, "defense." And that's what won.

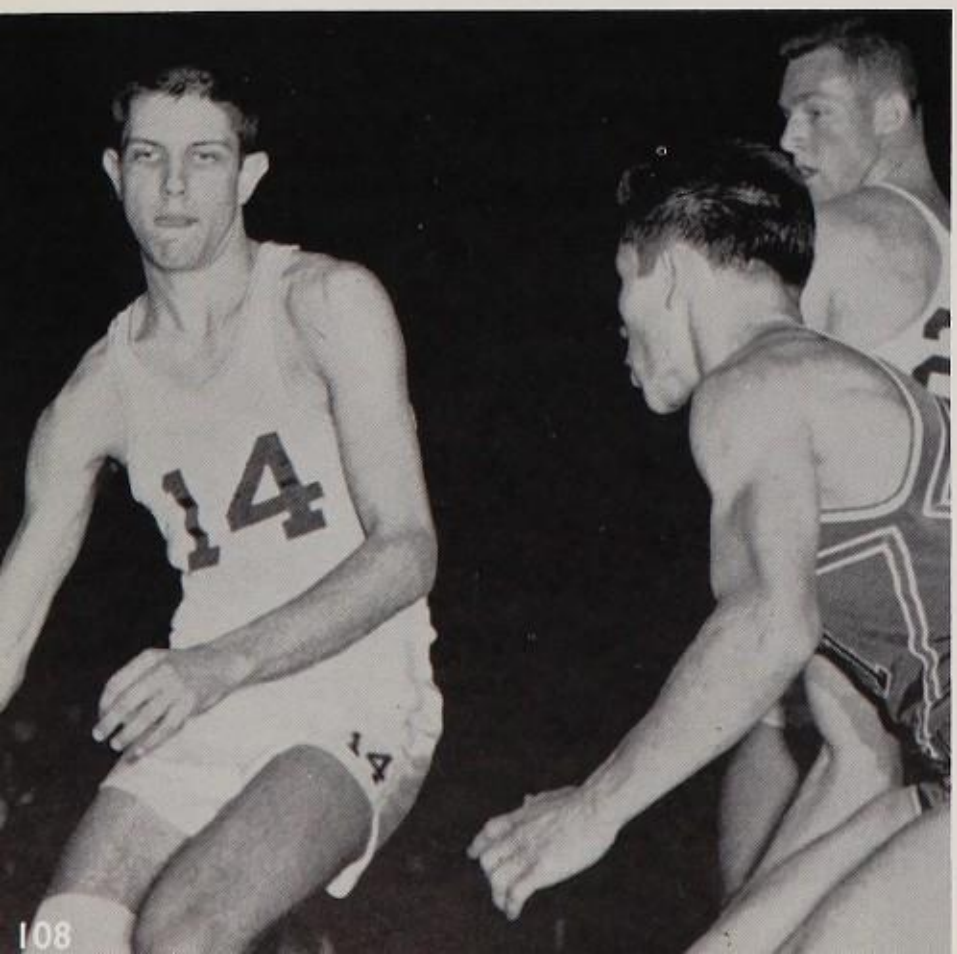
LAREDO DUMPED IN STATE PLAYOFFS

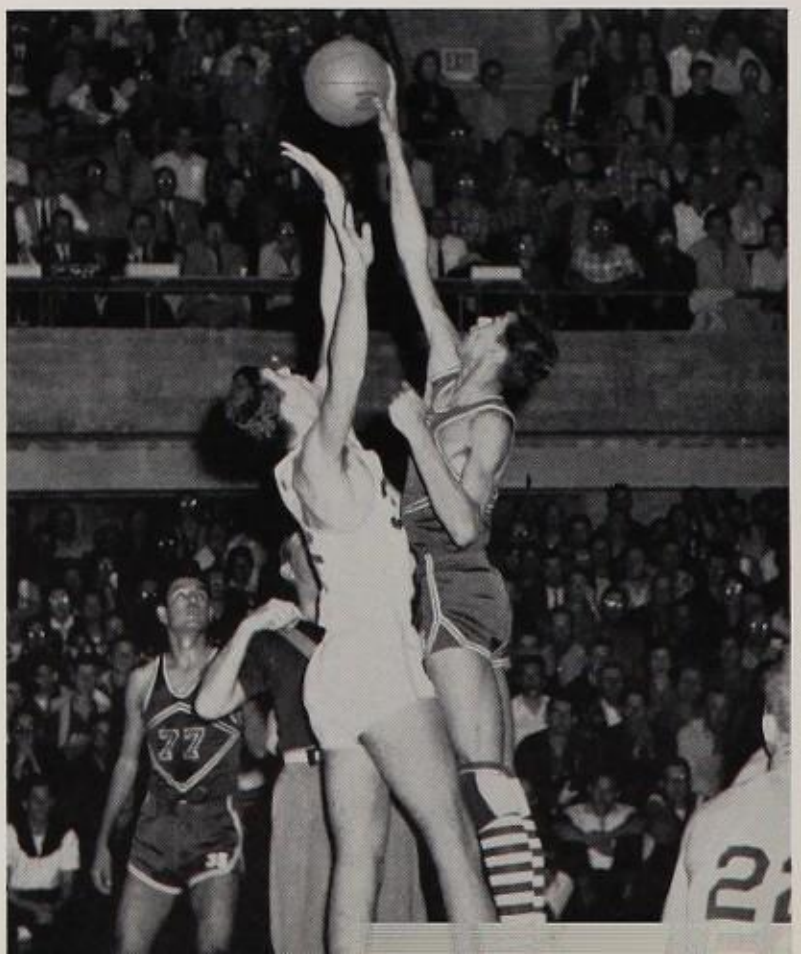
"ON TO AUSTIN!" was the Rebel cry after defeating Garland, 45-43, in an action-packed contest in the SMU coliseum. Meeting Laredo in the first round of the state playoffs, Jefferson looked impressive in their 55-39 victory. The tall blue boys out-played the peppy Laredo crew in all departments, manning the backboards and hitting from the field and free-throw line with deadly accuracy. Somerville was leading scorer, followed closely by Thompson and Seay, as the entire team saw action in the contest. Many favorable comments were passed upon the Rebels' defensive play, which was noteworthy in their first appearance in the state tournament.

"But we'll get it in the end!"

"Out of the way — here I come!"

"There's that Somerville with two more"





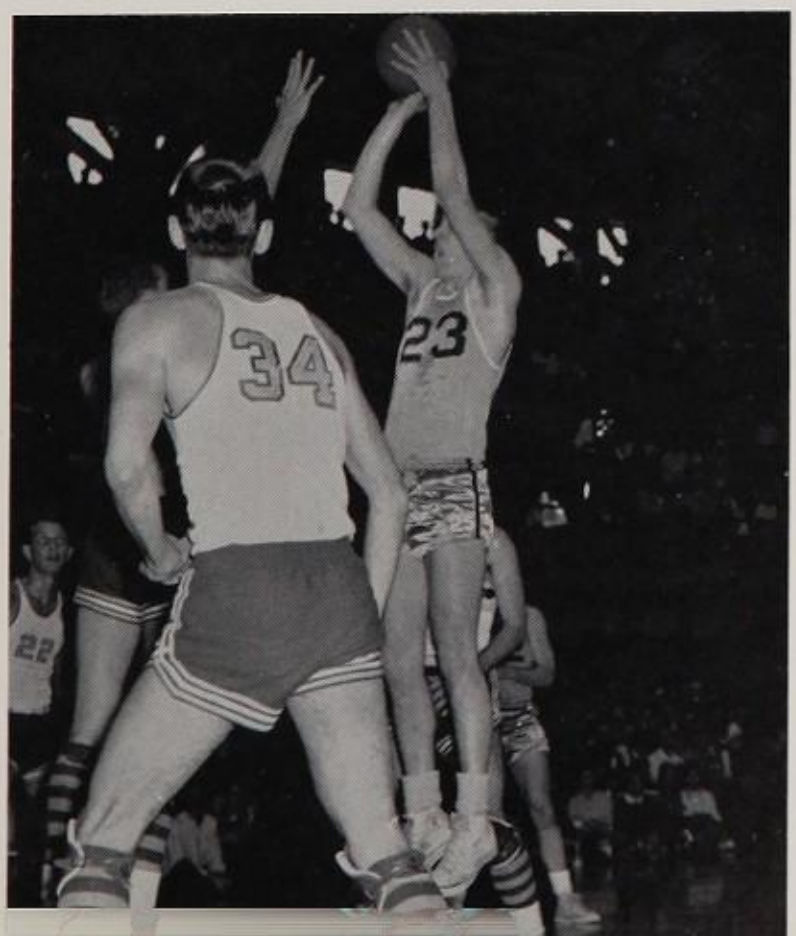
REBELS TAKE SECOND IN STATE

"WE'RE BRINGING HOME THE TROPHY, GANG!" In their first appearance in state tournament play, the Rebels acquitted themselves admirably. Losing only to the giants of Pampa, last year's state champions, Jefferson represented Dallas with flying colors. Even hitting fifty per cent of their shots was not sufficient to top the tall crew from the Panhandle, and Rebel rebounding was held to a minimum by the deadly sixty per cent average of the Harvesters. Not daunted by the height problem, however, Dave Somerville sank an impressive 20 points, as he gained a berth on the All-tournament Squad. Thompson also hit in the double figures, as the entire team performed valiantly against the defending champs. Rebel rooters, a great many of whom made the trip to the capital, were justly proud of the cup awarded to the second place team. The words of the chairman summed up the feeling: "This is a fine performance for a three-year old school!"

"I don't care if you *are* seven feet tall."

Tall Paul tops 'em all.

"Hooray for Jack Riley, Jr.!"



TENNIS — 1959

Having defeated South Oak Cliff, Bryan Adams, and Crozier Tech, the team entered the second round of play with a chance to take the city title. After last year's impressive season, with the Rebels gaining the Bi-District Championship, Jefferson expects to enjoy an even more successful record this year. THE STUDENT COUNCIL

The Thomas Jefferson Student Council is the coordinating body for all student activities. This year the major fall project of the Council was the staging of our first Homecoming, a most successful event. Our first "Exes" returned to witness the crowning of the Homecoming Queen and to wave their college colors at the Homecoming Dance. Other fall projects included the collection of Thanksgiving baskets for eighty families, and, of course, the beautiful Christmas Dance. Spring activities featured the Spring Frolic and the coordination of the many functions of graduation.

The council also carried on the usual functions of a governing body, such as representing Jefferson on the Junior Traffic Commission, participating in the city-wide Sportsmanship rating, and publishing the Student Handbook.

NATIONAL HONOR SOCIETY

The National Honor Society has four ideals: Service, Leadership, Character, and Scholarship. These ideals are the foundations upon which this society was begun and will continue to grow. The Thomas Jefferson branch of the National Honor Society is composed of very select junior and senior students who strive to live up to these ideals, thus setting an example for the school. Election to the National Honor Society is indeed the highest ideal to which a student may aspire.

QUILL AND SCROLL

Quill and Scroll is the honorary society for high school journalists. Election to Quill and Scroll is the highest honor attainable by members of the yearbook or newspaper staff. Only junior and senior students with high scholastic averages and outstanding journalistic achievement may be elected to membership in the organization, which is respected throughout the world of journalism.

"Ha ha ha today's the deadline!" chuckles Carol McDonald and Jane Donald as they merrily find another picture missing.

"Off with his head!" says Nancy Akridge to Marilyn Gump, as they explore the mysteries of the picture proportion wheel.

DOCUMENT

"Oh well, I can try it on for size!" Ann Bonnick, Becky Ransdell, and Mary Lou Beaird are just a little bit punchy from putting together the Annual Valentine dance, a rather time-consuming enterprise which annually delays the yearbook at least two weeks! (Were you wondering?)

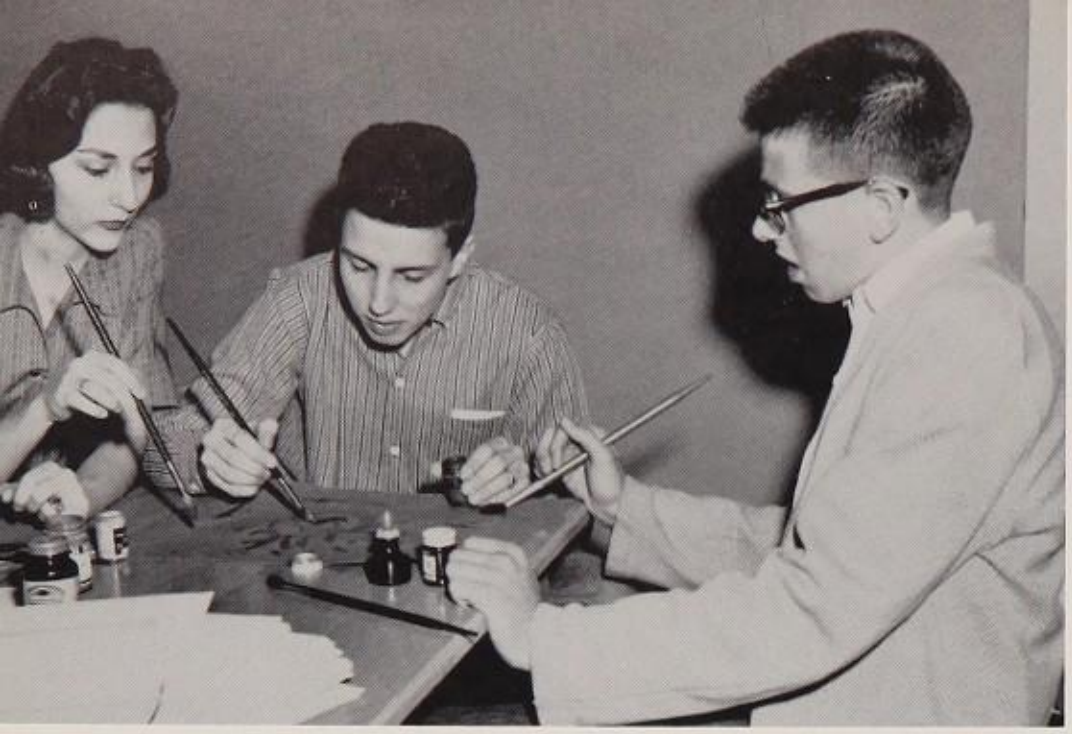
"Schmile!" Annual photographers take a moment out from drill team pictures for a little "art" work.

It is both the duty and the privilege of your diligent staff to present you with another fun-filled, gaiety-packed yearbook. As we have met (occasionally) our many deadlines, tried to work amid the mix-up of people, photographs, and pin-ups, and suffered under the whip-cracking of our pun-filled sponsor, somewhere along the line we have managed to put all of the scattered components into an annual of which we hope you will be proud. It is our sincere hope that you will find as much pleasure perusing the pages of your 1959 DOCUMENT as we have had in preparing it for you.

STEVE SCHLOSSSTEIN, *Editor*

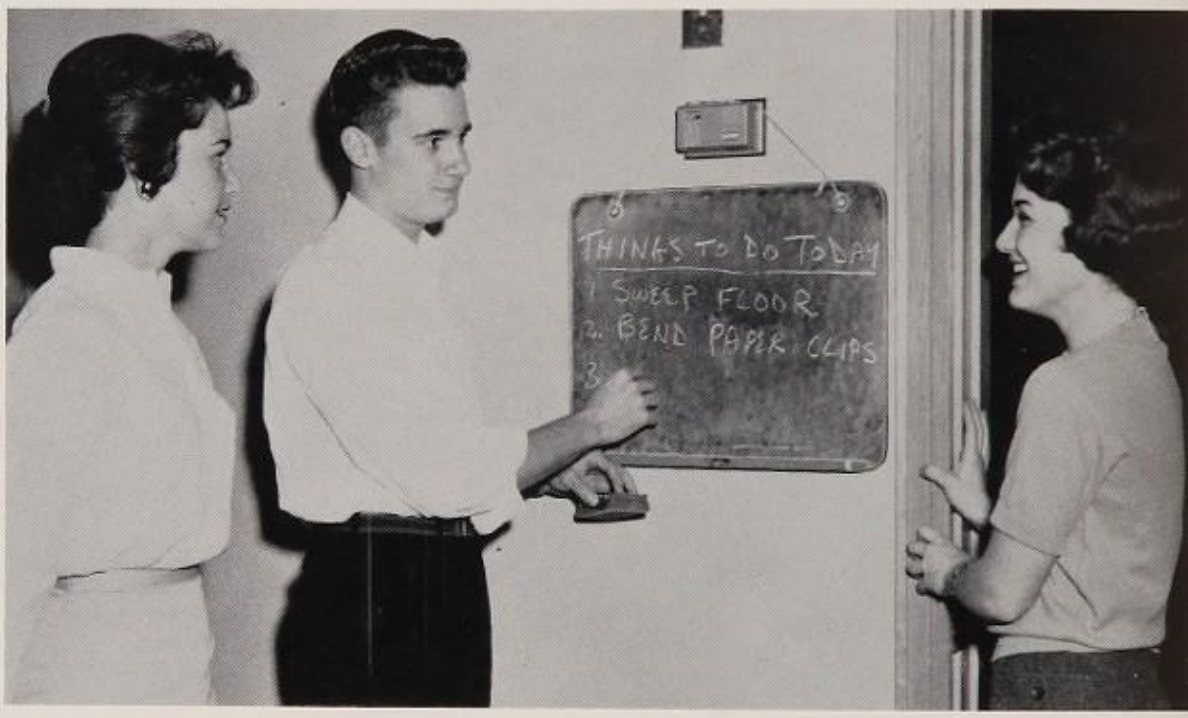
"Listen, Blackshearus, we don't make any mistakes around here." says Tom Gillen, erstwhile business manager.

"Do you think we dare put in another one of the staff?" One of the advantages of working on the annual is exploited by Frannie Tuckfield, Carolyn Williams, and Kay Hendricks.



"This year we paint the town red . . . literally!" The theme, "The DOCUMENT in Dallas" has been the major concern of the art staff, Vicki Chames, Mike Hulme, and Tim Mitchell, with a small time out to make the Valentine Dance sufficiently Venetian.

"Well, you see, the last ones to join the staff always get the choice tasks!" explains slave-driving Editor Steve Schlossstein to Shannon Reynolds and Sandie Dennis.



The staff, caught in a typically diligent moment, carries on the usual functions of losing pictures, misspelling names, filing, etc., etc. . . .

THE DOCUMENT AWARD

With the publication of the first edition of THE DOCUMENT, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The DOCUMENT Award honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected. Seven charter members were elected; in their honor, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

Reveille

"Meet that deadline!!" is the everpresent cry in the REVEILLE Staff room, where a seemingly-confused, but actually fairly efficient collection of assorted staff members struggle to beat the bi-weekly bugaboo of all newspapers. Amid the clatter of typewriters, the moans of frustrated copy editors, and the occasional cries of "QUIET!" from unidentified sources, the newspaper always seems to come out, however, bringing the "latest" (!) to eager Rebel readers.

KEY CLUB

The Key Club is our boys' service organization here at Thomas Jefferson. One of their worthwhile activities this past year has been to help the Dallas branch of the Heart Fund with its neighborhood canvass. With this and other useful projects as well as social and religious functions to their credit, our Key Club has become an important part of the school's extracurricular program.

SPANISH NATIONAL HONOR SOCIETY

The purpose of the Spanish National Honor Society is to recognize high achievement in Spanish by students of secondary schools and to encourage further interest in Hispanic studies. The society is sponsored by the American Association of Teachers of Spanish and Portuguese. The chapter at Thomas Jefferson High School, named for José Vasconcelos, well known author and the creator of Mexico's system of public education, was organized in the spring of 1958. The motto, "Todos a una," which translated means "All together" reminds that a language is a strong tie between persons of differing origins of race or religion.

"You were expecting maybe. Cinderella."

"Oh well, I'll soon be leafing."

The Art Service Club is actually a society of Trojans—or at least, they certainly work that way! Called upon by every organization in school and a few outside to decorate, publicize, or in innumerable ways enliven, the club always cheerfully undertakes the artistic projects and executes the same with much talent and willingness! The gym was transformed this year at various times into a winter wonderland, a Venetian valentine, and a spring garden; all year long the hall blossomed with colorful posters; and then, of course, came the major project — Carousel. One of the most praised features of this tremendous presentation was the stage settings —done, naturally, by the same Trojans.

The Junior Red Cross Council of Thomas Jefferson contributes much to the general welfare of the students in and out of school. Throughout the year, this organization makes tray favors, and place mats for the hospitals of Dallas, presents programs for the Veteran's Hospital, and has a big campaign enrollment week at the beginning of the year to provide funds for the year's program.

The outstanding contribution of the year is the gift chest sent to a foreign country.

OFFICE ASSISTANTS

Both of our offices are dependent upon the efficient student assistants who carry out the innumerable errands necessary to the administration of a school the size of Jefferson. Attendance office workers pick up the daily reports, deliver call slips, and answer the telephone; Mrs. Brown needs their help in answering the questions of students and parents, in conducting tours, in taking messages to teachers, and in typing and making reports.

THE ACAPPELLA CHOIR

One of the most active organizations at Jefferson is the A Cappella Choir, which enlivens many in and out of school programs. Newly uniformed in Jefferson Blue, the choir has performed at various civic functions, such as Rotary and Lions Club luncheons, as well as for the assemblies at Christmas, Thanksgiving, Brotherhood Week, and Easter. Of course the major project of the music groups this year has been "Carousel," for which two complete casts have been chosen. A presentation of considerable magnitude, this production represents a commendable enterprise for the Choir.

THE THOMAS JEFFERSON

One of the rootin'-est, tootin'-est bands in the entire Southwest, and easily the most colorful aggregation in the whole world is the Thomas Jefferson Marching Band. Led by Drum Major Bob Hayes and directed by Mr. Charles Vick, the band, flashily uniformed in West Point Dress in red and blue, has performed at all the football games as well as for many civic functions. Thomas Jefferson is commendably represented when the band goes abroad, such as for the Christmas parade downtown. The Festival of Bands held at Jefferson in March featured outstanding bands of the area and attracted much favorable comment. The city band contest also brought recognition to this outstanding group, which has surely carried Jefferson colors admirably afield.

The Thomas Jefferson Dance Band is an innovation which has proved a valuable addition to the music department. Nattily outfitted this year in red tux coats, the band plays for dances in and around school, as well as for such programs as the Valentine Coronation. Actually, Jefferson is quite fortunate to have such an aggregation, for the Dance Band fills a need not supplied by other phases of the music program.

"Aren't we pretty?" Reb-Belles show off their new uniforms, the red top hat, the columbia blue and red satin jackets, and of course, the white boots becoming traditional.

Jefferson is certainly proud of its outstanding drill team, the Reb-Belles. Under the capable direction of their cute and clever sponsor, Mrs. Donna Bohannon, the brightly-uniformed aggregation has represented Jefferson colorfully at all the athletic events as well as at various parades, Cotton Bowl games, and civic organizations. Decked out this year in red top-hats above the Jefferson blue with red jabots, the Reb-Belles have been one of Jefferson's best advertisements that it's "tops in Dallas!"

Mr. Vick and Mrs. Bohannon supervise one of the inevitable early-morning rehearsals.

PLATOON A

FRONT ROW: Kathleen McLeod, Sharon Clark, Kathy Klein, Lieutenant Carolyn Clark, Margaret Hobart, Beverly Brown, Regina McWilliams, Sondra Steffins. ROW 2: Sandra Sample, Sharon Silk, Janie Johnson, Elaine Porter, Susan Webb, Jeanne Lindsey, Carol Camplen, Patty Goldammer, Beverly Maxcy.

MILITARY OFFICERS

Lieutenants Pat McClure, Mary Burgess, Janie Austin, Carolyn Clark.

Surprise! Mrs. Bohannon wasn't expecting roses at the city playoff game, but the Drill Team wanted to say "Thanks" to their popular sponsor.

PLATOON B

Reb-Belles Manager

MILITARY N.D. C.C. TRAINING

The National Defense Cadet Corps has as its mission the training of young men in intelligent citizenship and leadership through orderliness, precision, discipline, and self-respect. The corps has been quite active this year, as it has rendered valuable service in ushering at the athletic events, both at the Cotton Bowl and at Jefferson functions, and in directing such school activities as the monthly fire drills. Socially, the corps enjoyed the Military Banquet and Military Ball in January; spring brought the Military hayride and dance. In competition, Jefferson fared well, as the Drill Team won 3rd place at Arlington. Summer always brings a trip to Camp Dallas, as will again be offered this year.

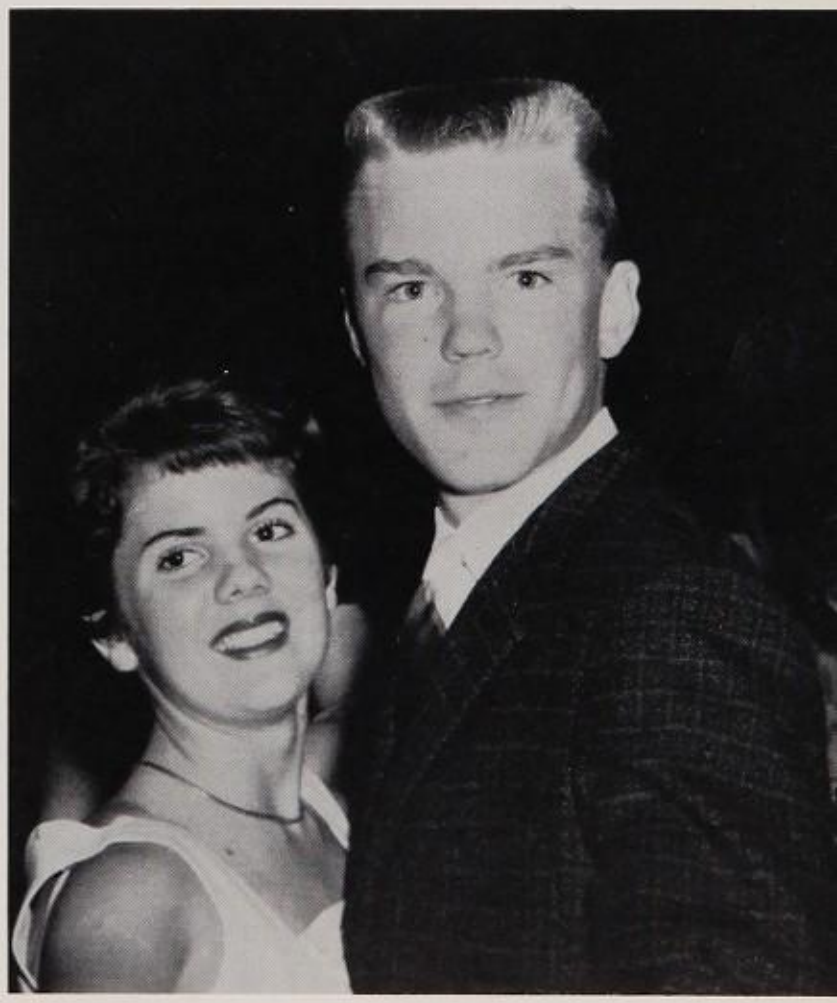
When you're a Freshman . . .

. . . you don't know any better than to study . . .

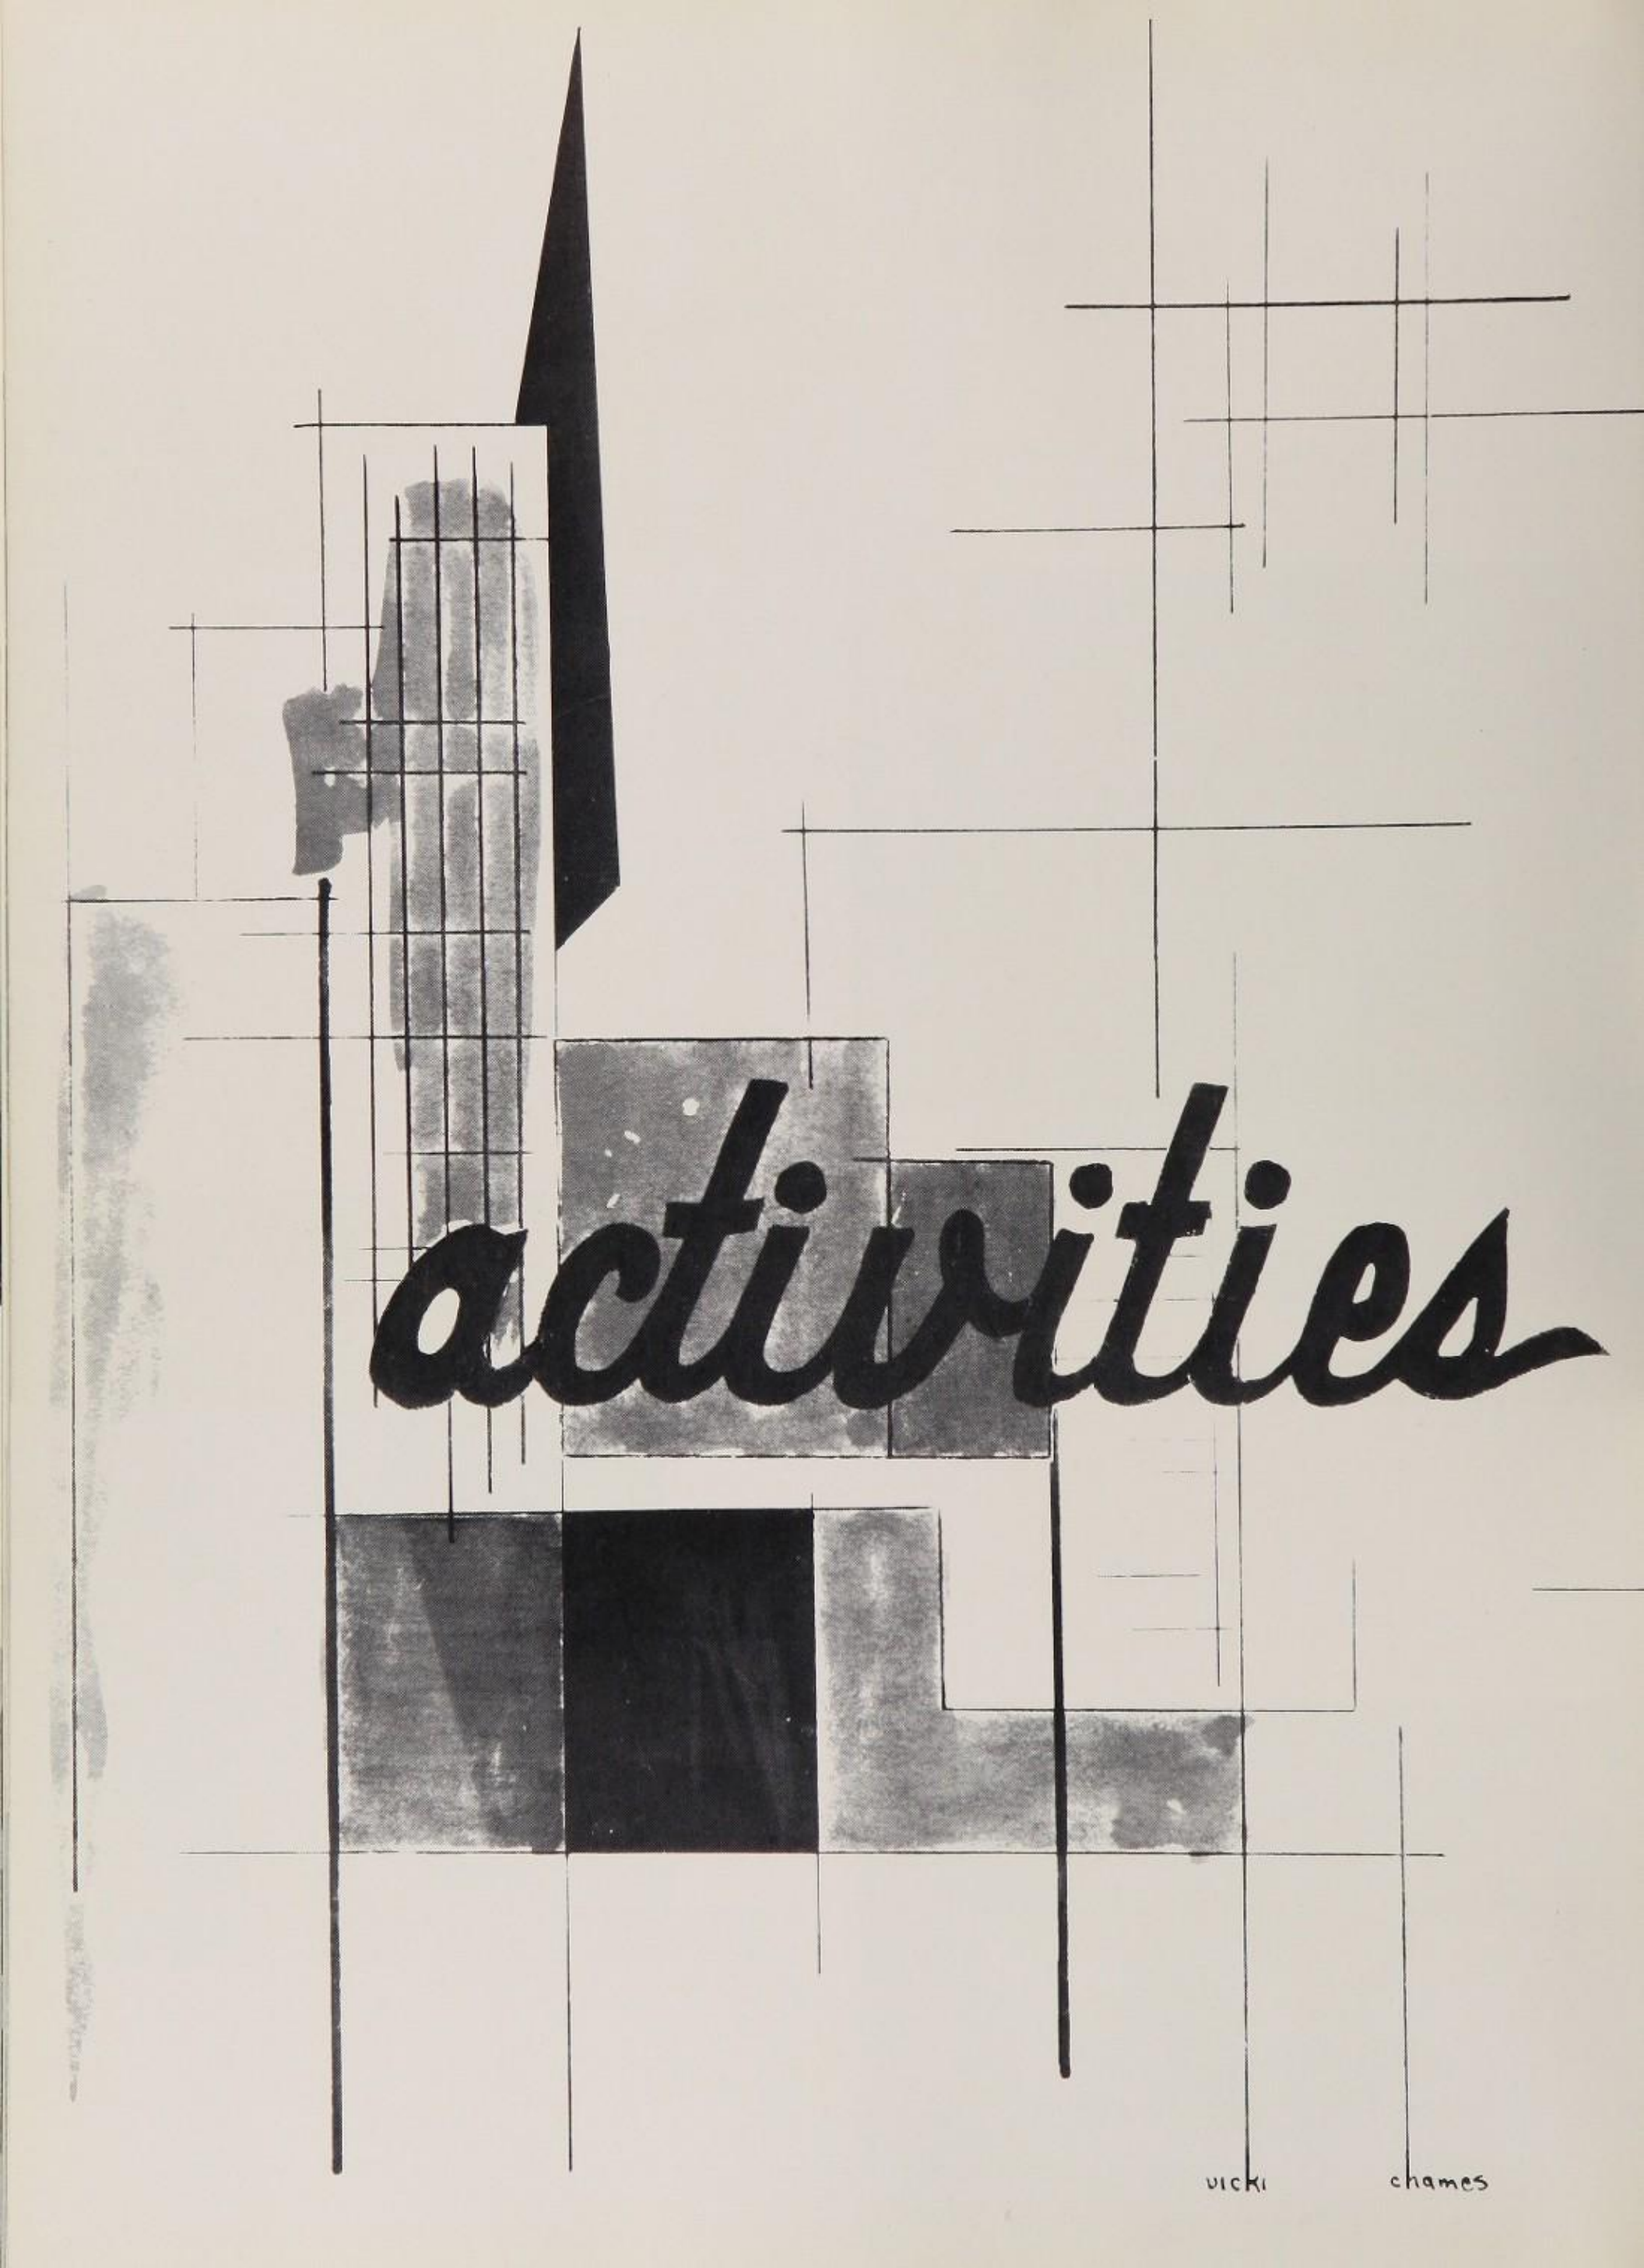
. . . or to listen to slave-driving teachers . . .

. . . although, of course, you discover a few distractions . . .

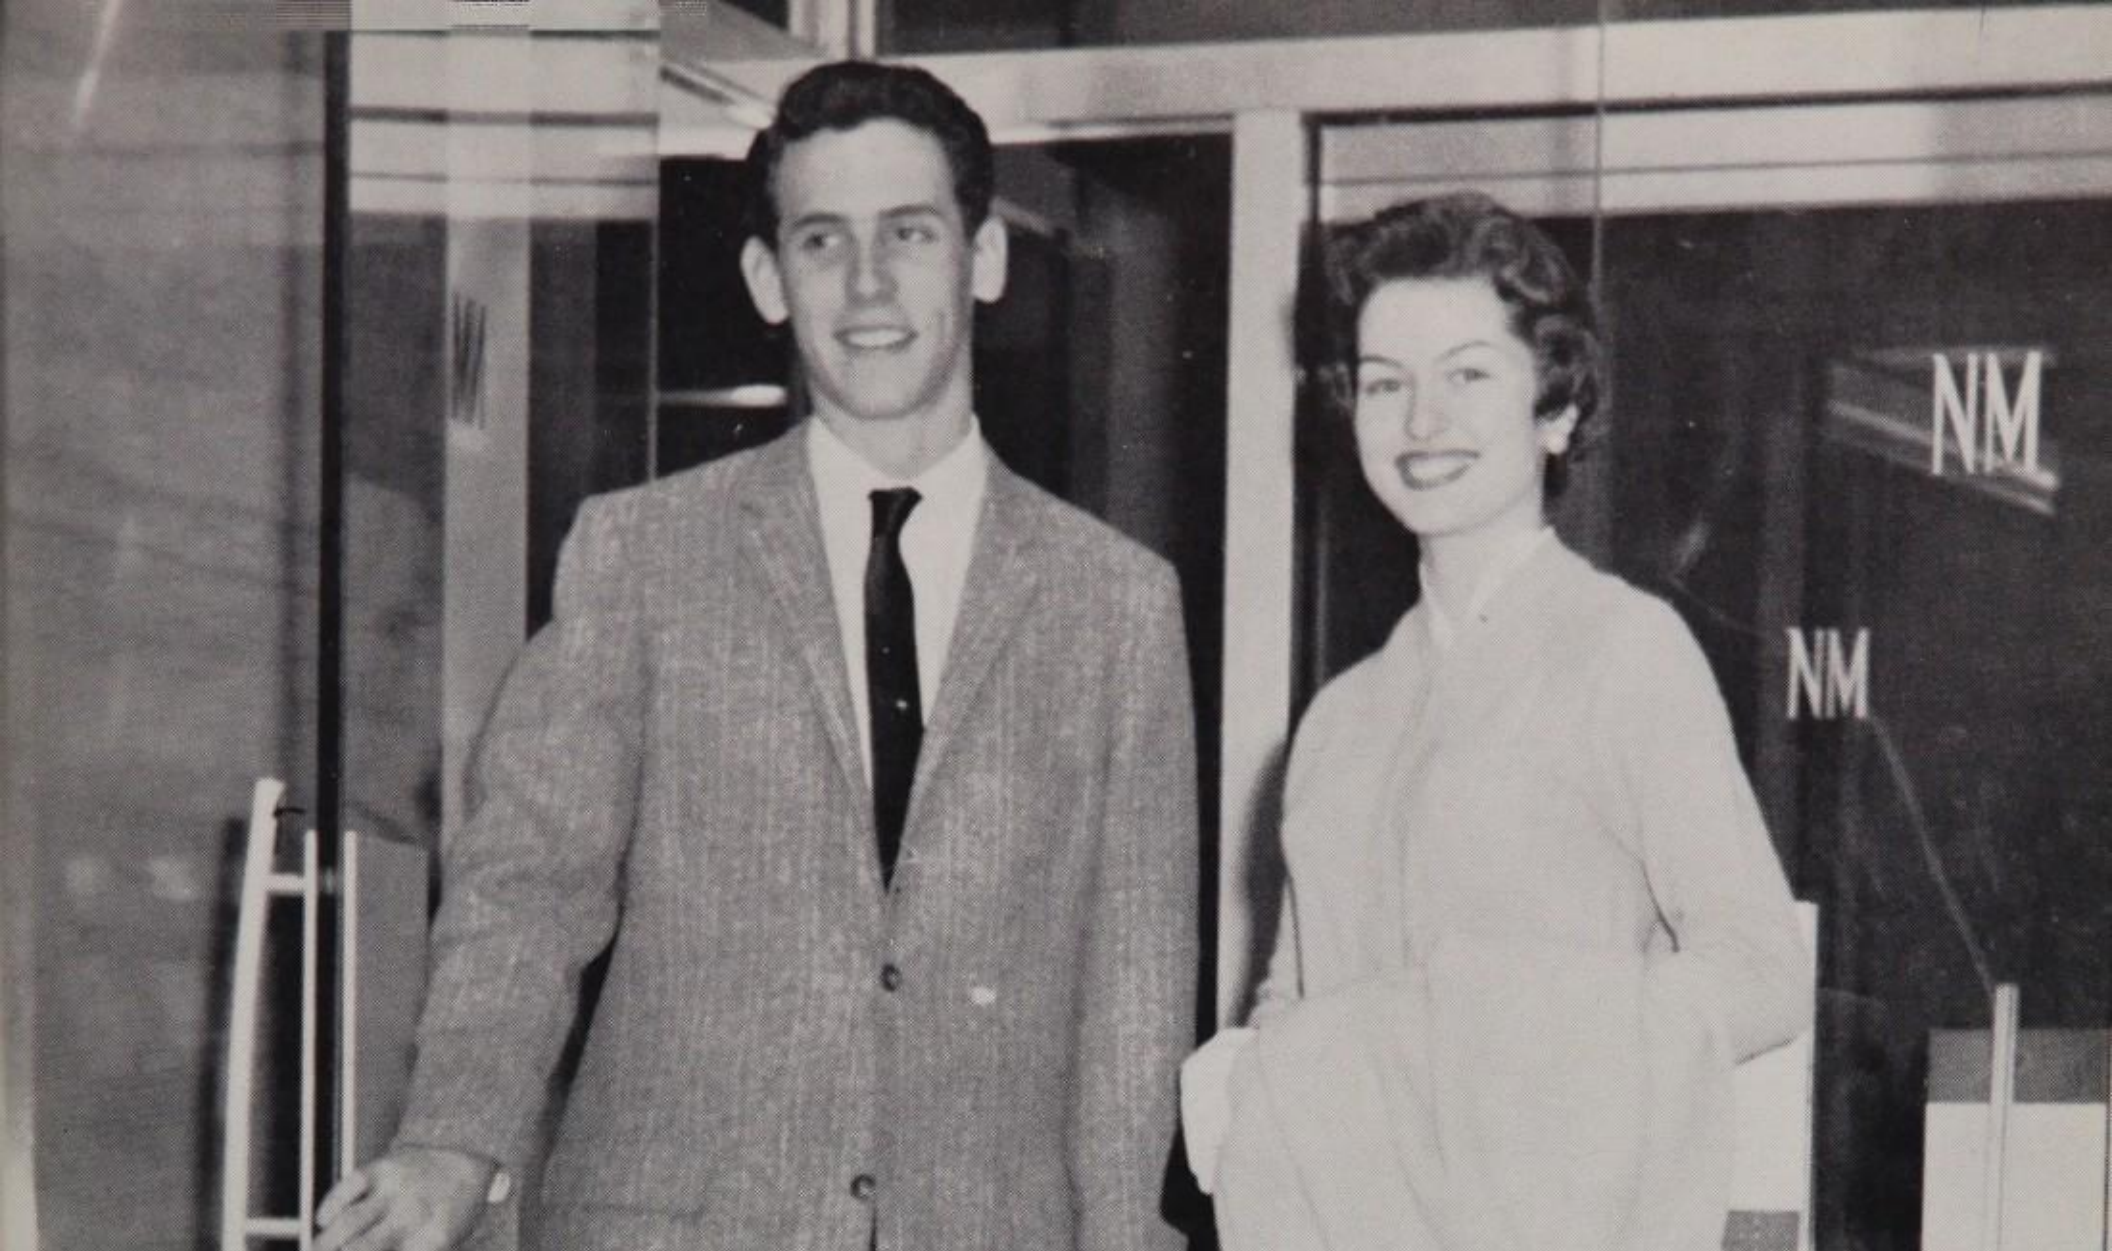
. . . FRESHMEN



. . . in fact this high school life is pretty cool!



activities
vicki chames



DALLAS . . . is a merchandising center. Bob Ransdell and Shirley Shull emerge from a leading downtown fashion house.

MUTTS AND JEFFS

"This is the happiest year of our life."

"How touching . . . I've waited all season to be a Harrison Hero."

Mangrum sings "Ode to Accelerated English."

African assembly: "Um gala wambla" (Translated: Put something in the pot, boy!" (Boy?))

Annual pictures: "Smile, Diane!"

"Ernst, you sleigh me!" says Easton.

Elizabet Aubertin is our new exchange student from France.

"This is the way firemen carry people"

CAROUSEL

Rosemary High, as Louise, rides the Carousel, pride of the art department.

"Say something sweet to me, Enoch."

"June is Bustin 'Out All Over!"

"I know what you want!"

Rosenthal is in the accelerated ping-pong class

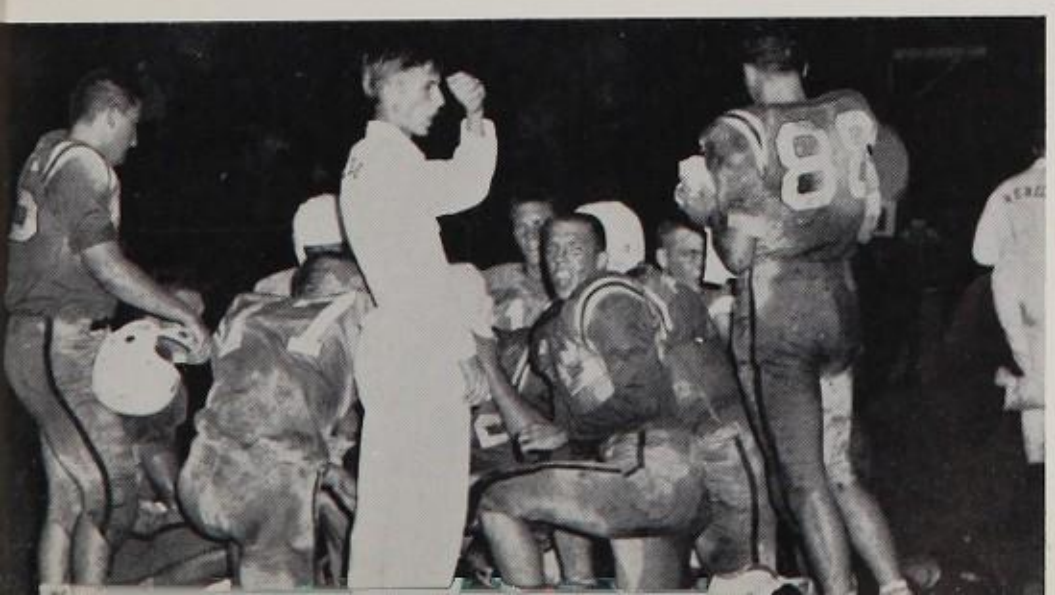
Senior skating party: anything for Brownie points!

"Heck, this beats my everyday face."

"Georgie's got a gir . . . rul!"

"Taaaan shoes and pink shoelaces . . ."

"Ah hate rain!"

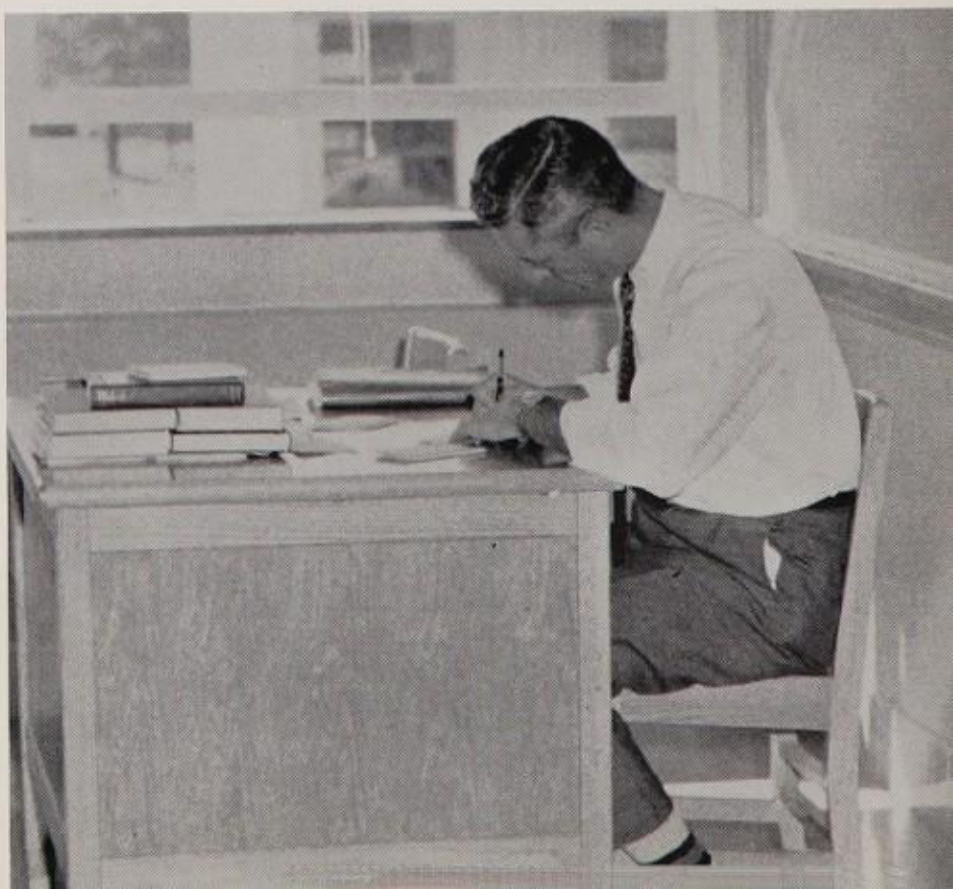


"I just can't *play* Dixie on this thing!"

"Miss Pankhurst, will you kindly come off Cloud 9?"

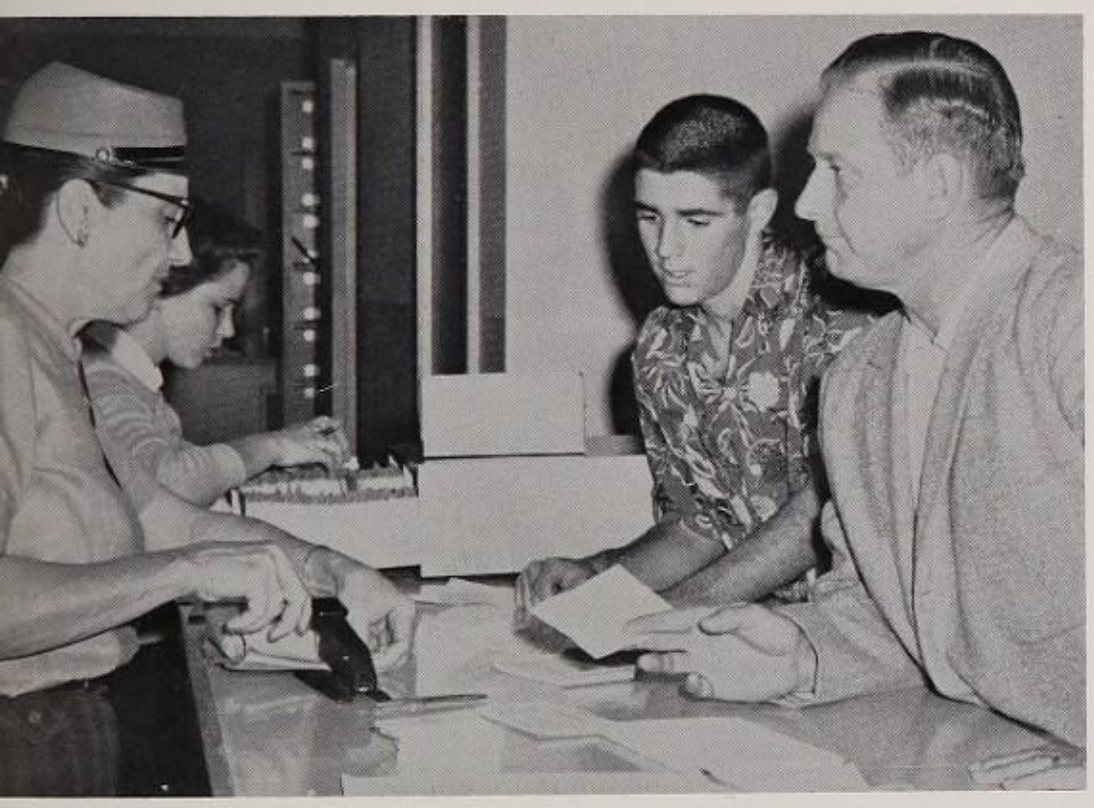
Lurking in the background of the senior activities was a tall handsome man. (Adv.)

Mr. Kirk is known for his suave attire.



Sandra Sample and Ellen Arthur coax Col. Santa Reb.

"Quick, fix it — the scouts are in the stands!"



"So I forgot my excuse — so what?"

"I think I'll take up finger painting."

Mary Allen Bonnick presents her majesty, Elayne Fincher, with the traditional roses, as Crownbearer Charlie Hempel takes it all in.

"I don't believe it!"

MEANWHILE, BACK IN VENICE . . .

Editor Steve Schlossstein fastens the sweetheart bracelet for her majesty.

"Let me call you sweetheart . . . ?"

"Tommy, you're sprouting!"

"Oh, goody! A Camera!"

Fran Tuckfield and friends.

'Guess what! I've got dates for the Senior Activities!"

"I thought I told you 'no' "

"Louder! I couldn't hear you!"

"Poooooor Scotties!"

Baker is the helpful type.

Golden moment: Sheryl Myers rejoices as she is named Basketball Queen; David Ray, Jill Maxcy, Cecil Schwalbe, Bob Benson, and Sue Parker register varied reactions.

"It's been a great year."

To a real sweet gal,
who will always remain
that way. I wish you
all the luck in the world.
I know the Lord will always
be with you and will help
you when you need it most.
You know this ol' world is
cruel and we get discouraged
with all it's snobbish people,
but keep one thing in your
heart, we are all made
equal and the Heavenly
Father loves you the most.
I have enjoyed knowing you
all these years and next
year when we're all seniors,
we will all have the time
of our lives. Be sweet always
and you will always have
the good things in life.

Love,
